RESPONSE TO OFFICE COMMUNICATION MAILED JULY 2, 2004; AND

EXAMINER INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

July 19, 2004

Dear Sir:

Applicant received an Office communication mailed July 2, 2004, stating that the claims were not in proper format according to 37 C.F.R. § 1.121(c).

More specifically, the Communication indicated the previous presentation of claims did not provide a complete list of all the claims cancelled, withdrawn, amended, etc.

Upon a review of the file, Applicant's representative noted that the previous Response to an Office communication in fact included a complete listing of the claims.

Examiner Interview Summary

On today's date, a telephonic interview was conducted by Examiner Singh and Applicant's representative.

The issue regarding the complete claim set was discussed. Upon a review of the file, the Examiner noted that there may have been a error made when entering the paper received by the USPTO April 15, 2004. This paper presented a complete set of claims.

It was decided that Applicant's representative would submit the Response and provide an additional copy of the previous Response (submitted as ATTACHMENT A).

The time and attention of the Examiner with respect to this matter are appreciated.

As previously stated in the record, the Remarks filed with the Amendment of January 2, 2004 are incorporated herein by reference in their entirety.

No fee is required for this correspondence.

If the Examiner has any questions concerning the claims or the Application in general, please contact the undersigned at the number listed below.

Respectfully submitted,
